

Engine Parts Center

a Subsidiary of Internal Engine Parts Group, Inc. (IEPG)

Engine Parts Center consists of nine engine parts warehouses located across the Southeastern United States with over seventy professional associates. Our corporate and administrative office is located in Meridian, MS. IEPG stocks a broad range of engine parts for passenger cars, small trucks, marine, industrial, agricultural and high-performance applications.

A comprehensive engine kit program is available for thousands of engines with every kit provided to fit your exact needs!

The company's operating platform is designed to serve all aftermarket customers effectively with a maximum service level. We supply the engine parts needs of custom engine rebuilders, custom engine repair centers, high performance operations, traditional auto parts operations and national wholesale and retail chains. We offer the latest in 24/7 real time customer connectivity technology via the internet which allows our customers to view, select and purchase their engine parts needs from all of our locations at their convenience.

We recognize our customers make a choice every day when they use our products and service and we are constantly redoubling our efforts to be sure we earn their business!
